CHAIRMANS REPORT

The 2014/15 year has certainly been monumental for the Windsor RSL Club! The key initiative being our building program that saw the opening of our new foyer and gaming room in mid April 2015.

The recently completed building program encompassing our new foyer, gaming room, toilets and carpark is the first stage of the Clubs Masterplan, which will provide our members with a hospitality offering that is befitting the 22nd Century. A Club we can all be very proud of.

Together with a successful building program, our Club also created history with another recorded breaking financial year and a profit exceeding \$600,000.

Key items being:

Profit for the year of \$640,118

EBITDA profit for the year of \$1,588,056 (EBITDA = Earnings Before Interest Taxation Depreciation Amortisation)

Financial membership of 9,114 members

Over the past twelve months we have seen the introduction of:
triennial voting program together with an independent returning officer
a new toilet block
a new entry foyer
a new gaming room
a new carpark
expansion of the lounge area

Going forward, I am delighted to announce the pending introduction of our new Alfresco Dining area located on the corner of Argyle and Mileham streets. The new Alfresco Dining area will encompass the old entry into the Club building and portions of the old gaming room. The new Alfresco Dinning area is designed to complement our new gaming room with facilities and décor unsurpassed in the Hawkesbury region. At this stage the plan is to open the new Alfresco Dining facility prior to the 2015 Melbourne Cup.

With the plans finalised for the new Alfresco Dining area we can now finalise the reintroduction of a sports lounge, with a number of dedicated sports TV's, together with the reintroduction of TAB facilities into this space. Work has already commenced on moving the RSL memorabilia cabinets and introduction of walls, to identify the sports lounge area.

This year's combined Centenary Anzac Day celebrations were an outstanding success for our community, local Sub Branch's and our Clubs. The dawn service held at McQuade Park Windsor, witnessed over 10,000 people in attendance. The huge crowd numbers for the dawn service were a just reward for the work put in by a team of people, inclusive of the Windsor and Richmond Sub Branches.

The Windsor RSL Club continued to support numerous local charities, schools and sporting bodies over the past twelve months with requests for assistance growing yearly. With the continued financial success of our Club, your Board will endeavour to support as many local not for profit entities as we are financially able.

To the family and friends of our members who have passed away over the last twelve months, please accept our condolences.

As a very proud Chairman of this fabulous Club, I must thank my fellow Directors for their dedication and continued support.

To our very popular caterer Steve Keaton and his staff, thank you for your tireless efforts and tremendously popular food over the past twelve months. The continued popularity of the Fork Brasserie is evidence that the product and service you provide our members and visitors is of excellent standard – well done and thank you.

Finally, I would like to thank our team of Staff. Over the past few years I have continually been approached by Members and Visitors informing me we have the best and friendliest staff in any Club they have visited. I personally reiterate these sentiments - on behalf of our members, I thank all our staff for the manner in which you make our time spent at the Club enjoyable and rewarding.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of Preparation

This general purpose financial report has been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, other authoritative pronouncements of the Australian Accounting Standards and the *Corporations Act 2001*.

In preparing the financial report the company has taken the exemptions available to non profit entities.

Historical Cost Convention

These financial statements have been prepared under the historical cost convention, as modified by the revaluation of available-for-sale financial assets, financial assets and liabilities at fair value through profit or loss, certain classes of property, plant and equipment and investment property.

(b) Revenue Recognition - Note 2

Revenues are recognised at fair value of the consideration received net of the amount of goods and services tax (GST) payable to the taxation authority. Exchanges of goods or services of the same nature and value without any cash consideration are not recognised as revenues.

Sale of goods

Revenue from the sale of goods comprises revenue earned from provision of food, beverage and other goods and is recognised (net of rebates, returns, discounts and other allowances) when control of the goods passes to the customer.

Rendering of Services

Revenue from rendering services comprises revenue from gaming facilities together with other services to members and other patrons of the club and is recognised when the services are provided.

Interest Revenue

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial asset.

Member Subscriptions

Membership subscriptions are accounted for in the year of receipt irrespective to the period for which they relate. All costs associated with the procurement of membership subscriptions are expensed when incurred.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(b) Revenue Recognition - Note 2 (continued)

Sale of Property, Plant and Equipment

The gain on loss or disposal is calculated as the difference between the carrying amount of the asset at the time of disposal and the net proceeds on disposal (including incidental costs) and is recognised as revenue at the date control of the asset passes to the buyer.

(c) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST) except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Receivables and payables in the Balance Sheet are shown inclusive of GST.

The net amount of GST recoverable from, or payable to, the Australian Taxation is included as a current asset or liability in the Balance Sheet.

Cash flows are included in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financing activities, which is disclosed as operating cash flows.

(d) Finance Costs

Finance costs include interest, premiums relating to borrowings, amortisation of ancillary costs incurred in connection with arrangement of borrowings and lease finance charges.

Finance costs are expensed as incurred unless they relate to qualifying assets. Qualifying assets are assets which take more than 12 months to get ready for their intended use for sale. In these circumstances finance costs are capitalised to the cost of the assets. Where funds are borrowed specifically for the acquisition, construction or production of a qualifying asset, the amount of finance costs capitalised is those incurred in relation to that borrowing, net of any interest earned on those borrowings. Where funds are borrowed generally finance costs are capitalised using a weighted average capitalisation rate.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) Income Tax - Note 5

The charge for current income tax expense is based on the profit for the year adjusted for any non-assessable or disallowed items. It is calculated using the tax rates that have been enacted or are substantially enacted by the Balance Sheet date.

Deferred tax is accounted for using the comprehensive Balance Sheet liability method whereby:

- The tax consequences of recovering (settling) all assets (liabilities) are reflected in the financial statements;
- Current and deferred tax is recognised as income or expense except to the extent that the tax relates to equity items or to a business combination;
- A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available to realise the asset;
- Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability settled.

(f) Impairment of Assets

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the assets' carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an assets' fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units).

(g) Cash and Cash Equivalents - Note 6

Cash and cash equivalents include cash on hand and at bank and short term deposits at call, net of outstanding bank overdrafts.

(h) Trade and Other Receivables - Note 7

Trade debtors and other receivables represent the principal amounts due at balance date plus accrued interest and less, where applicable, any unearned income and provisions for doubtful accounts.

(i) Inventories - Note 8

Inventories are measured at the lower of cost and net realisable value. Costs have been assigned to inventory quantities on hand at balance date using the weighted average basis.

**WINDSOR RSL CLUB LTD
ACN 000 811 290**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2015**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(j) Property, Plant and Equipment - Note 10

Land is shown at periodic, but at least triennial, valuations by external independent valuers. All other property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Comprehensive Income during the financial period in which they are incurred.

Increases in the carrying amounts arising on revaluation of land are credited to other reserves in equity. To the extent that the increase reverses a decrease previously recognised in profit or loss, the increase is first recognised in profit and loss. Decreases that reverse previous increases of the same asset are first charged against revaluation reserves directly in equity to the extent of the remaining reserve attributable to the asset; all other decreases are charged to the Statement of Comprehensive Income.

Land is not depreciated. Depreciation on other assets is calculated using the straight line/diminishing value methods to allocate their cost or revalued amounts, net of their residual values, over their estimated useful lives, as follows:

	2015	2014
Buildings and Improvements	40 years	40 years
Furniture, Fittings and Equipment	11 years	11 years
Poker Machines	4 years	4 years
Kitchen Equipment	11 years	11 years
Vehicles	8 years	8 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each Balance Sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Comprehensive Income. When revalued assets are sold, it is company policy to transfer the amounts included in other reserves with respect to those assets to retained earnings.

The company's properties are now classified as either "Core" or "Non-Core" property. Core property is property occupied by the club as licensed premises. The club can only dispose of its core property if the disposal has been approved by a resolution passed by the majority of members. The property must be sold at public auction after valuation by a registered valuer. These requirements do not apply to non-core property, ie, investment properties.

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2015**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(k) Employee Benefits - Note 13

Wages and Salaries, Annual Leave and Sick Leave

Liabilities for wages and salaries, including non-monetary benefits, annual leave and accumulating sick leave expected to be settled within 12 months of the reporting date are recognised in other payables with respect to employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled. Liabilities for non-accumulating sick leave are recognised when the leave is taken and measured at the rates paid or payable.

Long Service Leave

The provision for employee benefits to long service leave represents the present value of the estimated future cash outflows to be made resulting from employees' services provided to reporting date.

The provision is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates based on turnover history and is discounted using the rates attaching to national government bonds at reporting date which most closely match the terms of maturity of the related liabilities. The unwinding of the discount is treated as long service leave expense.

Superannuation Plan

The company contributes to several defined contribution superannuation plans. Contributions are recognised as an expense as they are made. The company has no legal or constructive obligation to fund any deficit.

(l) Trade and Other Payables - Note 11

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

(m) Financial Liabilities - Note 12

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(n) Hire Purchase Assets (continued)

Note 12

A financed asset and a liability equal to the present value of the total payments are recorded at the inception of the contract.

Hire Purchase liabilities are reduced by repayments of principal. The interest components of the payments are expensed. Contingent rentals are expensed as incurred.

(o) Comparatives

Comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(p) Use and Revisions of Accounting Estimates

The preparation of the financial report requires the making of estimations and assumptions that affect the recognised amounts of assets, liabilities, revenues and expenses and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

(q) Going Concern

The directors have prepared the financial report on a going concern basis for the following reasons:

- Cash inflow from operating activities for the year amounted to \$1,492,400 compared to \$947,411 in the prior period and cash inflows are expected to improve in future years.
- The company recorded an operations profit of \$640,118 compared to last years profit of \$376,490.

The directors are satisfied that the going concern basis of preparation is appropriate. The financial report has therefore been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.
