INDEPENDENT AUDIT REPORT TO THE MEMBERS OF WINDSOR & DISTRICT RSL SUB-BRANCH CLUB LIMITED

I have audited the accompanying financial report of Windsor & District RSL Sub-Branch Club Limited (the company), which comprises the Balance Sheet as at 31 March 2011 and the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the Directors' Declaration as set out on pages to

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In Note 1(a), the directors also state, in accordance with Accounting Standard AASB 101 *Presentation of Financial Statements*, that compliance with the Australian equivalents to International Financial Reporting Standards ensures that the financial report, comprising the financial statements and notes, complies with International Financial Reporting Standards.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of the *Corporations Act 2001*.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of Preparation

This general purpose financial report has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*.

Compliance with IFRS

Australian Accounting Standards include Australian equivalents to International Financial Reporting Standards Compliance with AIRFS ensures that the company financial statements and notes comply with International Financial Reporting Standards (IFRS).

In preparing the financial report the company has taken the exemptions available to non profit entities.

Historical Cost Convention

These financial statements have been prepared under the historical cost convention, as modified by the revaluation of available-for-sale financial assets, financial assets and liabilities at fair value through profit or loss, certain classes of property, plant and equipment and investment property.

(b) Revenue Recognition - Note 2

Revenues are recognised at fair value of the consideration received net of the amount of goods and services tax (GST) payable to the taxation authority. Exchanges of goods or services of the same nature and value without any cash consideration are not recognised as revenues.

Sale of goods

Revenue from the sale of goods comprises revenue earned from provision of food, beverage and other goods and is recognised (net of rebates, returns, discounts and other allowances) when control of the goods passes to the customer.

Rendering of Services

Revenue from rendering services comprises revenue from gaming facilities together with other services to members and other patrons of the club and is recognised when the services are provided.

Interest Revenue

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial asset.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(b) Revenue Recognition - Note 2 (continued)

Sale of Property, Plant and Equipment

The gain on loss or disposal is calculated as the difference between the carrying amount of the asset at the time of disposal and the net proceeds on disposal (including incidental costs) and is recognised as revenue at the date control of the asset passes to the buyer.

Contribution of Assets

Contributions of assets and contributions to assist in the acquisition of assets, being non-reciprocal transfers, are recognised as revenue at the fair value of the asset received when the company gains control of the contribution, except when the contributions are by owners.

(c) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST) except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Receivables and payables in the Balance Sheet are shown inclusive of GST.

The net amount of GST recoverable from, or payable to, the Australian Taxation is included as a current asset or liability in the Balance Sheet.

Cash flows are included in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financing activities, which is disclosed as operating cash flows.

(d) Finance Costs

Finance costs include interest, premiums relating to borrowings, amortisation of ancillary costs incurred in connection with arrangement of borrowings and lease finance charges.

Finance costs are expensed as incurred unless they relate to qualifying assets. Qualifying assets are assets which take more than 12 months to get ready for their intended use for sale. In these circumstances finance costs are capitalised to the cost of the assets. Where funds are borrowed specifically for the acquisition, construction or production of a qualifying asset, the amount of finance costs capitalised is those incurred in relation to that borrowing, et of any interest earned on those borrowings. Where funds are borrowed generally finance costs are capitalised using a weighted average capitalisation rate.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) Income Tax - Note 5

The charge for current income tax expense is based on the profit for the year adjusted for any non-assessable or disallowed items. It is calculated using the tax rates that have been enacted or are substantially enacted by the Balance Sheet date.

Deferred tax is accounted for using the comprehensive Balance Sheet liability method whereby:

- The tax consequences of recovering (settling) all assets (liabilities) are reflected in the financial statements;
- Current and deferred tax is recognised as income or expense except to the extent that the tax relates to equity items or to a business combination;
- A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available to realise the asset;
- Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability settled.

(f) Impairment of Assets

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the assets' carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an assets' fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units).

(g) Cash and Cash Equivalents - Note 6

Cash and cash equivalents include cash on hand and at bank and short term deposits at call, net of outstanding bank overdrafts.

(h) Trade and Other Receivables - Note 7

Trade debtors and other receivables represent the principal amounts due at balance date plus accrued interest and less, where applicable, any unearned income and provisions for doubtful accounts.

(i) Inventories - Note 8

Inventories are measured at the lower of cost and net realisable value. Costs have been assigned to inventory quantities on hand at balance date using the weighted average basis.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(j) Property, Plant and Equipment - Note 10

Land is shown at periodic, but at least triennial, valuations by external independent valuers. All other property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Comprehensive Income during the financial period in which they are incurred.

Increases in the carrying amounts arising on revaluation of land are credited to other reserves in equity. To the extent that the increase reverses a decrease previously recognised in profit or loss, the increase is first recognised in profit and loss. Decreases that reverse previous increases of the same asset are first charged against revaluation reserves directly in equity to the extent of the remaining reserve attributable to the asset; all other decreases are charged to the Statement of Comprehensive Income.

Land is not depreciated. Depreciation on other assets is calculated using the straight line/diminishing value methods to allocate their cost or revalued amounts, net of their residual values, over their estimated useful lives, as follows:

	2011	2010
Buildings and Improvements	40 years	40 years
Furniture, Fittings and Equipment	11 years	11 years
Poker Machines	5 years	5 years
Kitchen Equipment	11 years	11 years
Vehicles	8 years	8 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each Balance Sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Comprehensive Income. When revalued assets are sold, it is company policy to transfer the amounts included in other reserves with respect to those assets to retained earnings.

The company's properties are now classified as either "Core" or "Non-Core" property. Core property is property occupied by the club as licensed premises. The club can only dispose of its core property if the disposal has been approved by a resolution passed by the majority of members. The property must be sold at public auction after valuation by a registered valuer. These requirements do not apply to non-core property, ie, investment properties.

FOR THE YEAR ENDED 31 MARCH 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(k) Employee Benefits - Note 13

Wages and Salaries, Annual Leave and Sick Leave

Liabilities for wages and salaries, including non-monetary benefits, annual leave and accumulating sick leave expected to be settled within 12 months of the reporting date are recognised in other payables with respect to employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled. Liabilities for non-accumulating sick leave are recognised when the leave is taken and measured at the rates paid or payable.

Long Service Leave

The provision for employee benefits to long service leave represents the present value of the estimated future cash outflows to be made resulting from employees' services provided to reporting date.

The provision is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates based on turnover history and is discounted using the rates attaching to national government bonds at reporting date which most closely match the terms of maturity of the related liabilities. The unwinding of the discount is treated as long service leave expense.

Superannuation Plan

The company contributes to several defined contribution superannuation plans. Contributions are recognised as an expense as they are made. The company has no legal or constructive obligation to fund any deficit.

(l) Trade and Other Payables - Note 11

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

(m) Financial Liabilities - Note 12

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Comprehensive Income over the period of borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the Balance Sheet date.

(n) Leased Assets

Leases under which the company assumes substantially all the risks and benefits of ownership are classified as finance leases. Other leases are classified as operating leases.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(n) Leased Assets (continued)

Finance Leases - Note 12

A leased asset and a lease liability equal to the present value of the minimum lease payments are recorded at the inception of the lease.

Lease liabilities are reduced by repayments of principal. The interest components of the lease payments are expensed. Contingent rentals are expensed as incurred.

(o) Comparatives

Comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(p) Use and Revisions of Accounting Estimates

The preparation of the financial report requires the making of estimations and assumptions that affect the recognised amounts of assets, liabilities, revenues and expenses and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

(q) Going Concern

The company recorded an operations loss of \$109,975 (2010: profit of \$3,785) and the current assets exceeded the current liabilities by \$208,848 (2010: \$56,288). Current assets to current liabilities are contingent on a \$600,000 loan from the sub branch remaining non-current.

The directors have prepared the financial report on a going concern basis for the following reasons:

- Cash inflow from operating activities for the year amounted to \$304,449 compared to \$317,956 in the prior period and cash inflows are expected to improve in future years.

The directors are satisfied that the going concern basis of preparation is appropriate. The financial report has therefore been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(r) Customer Loyalty Program

The company operates a loyalty program where customers accumulated point for dollars spent. The award points are recognised as a separately identifiable component of the initial sale transaction, by allocating the fair value of the consideration received between the award points and the other components of the sale that the award points are recognised at their fair value. Revenue from the award points is recognised when the points are redeemed. The amount of revenue is based on the number of points redeemed relative to the total number expected to be redeemed.

(s) New Accounting Standards for Application in Future Periods

The AASB has issued new Standards that have mandatory application dates for future reporting periods. The club has decided against early adoption of these Standards.

(b) Credit Risk Exposures

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted.

The credit risk on financial assets, excluding investments, of the company which have been recognised on the Balance Sheet, is the carrying amount, net of any provision for doubtful debts.

The company minimises credit risk by regularly reviewing accounts receivable and payable with the intention of ensuring that all balances are settled within agreed terms and conditions.

The company is of the opinion that the effect of volatility with any of these risk areas would not be material.

(b) Credit Risk Exposures (continued)

Recognised Financial Instruments

The credit risk on financial assets, excluding investments, of the company which have been recognised on the Balance Sheet, is the carrying amount, net of any provision for doubtful debts.

The company minimises concentrations of credit risk by undertaking transactions with a large number of patrons.

(c) Liquidity Risk

The company manages liquidity risk through general business, budgets and forecasts.

The company is of the opinion that the exposure to liquidity risk is minimal.

(d) Net Fair Values

The aggregate fair values and carrying amount of financial assets and financial liabilities are disclosed in the Balance Sheet and in the notes to the financial statements.

No financial assets and financial liabilities are readily traded on organised markets in a standardised form.

For other assets and other liabilities net fair value approximates their carrying value.

The company hires motor vehicles and trading equipment under financial lease agreements expiring from one to three years. The finance lease facility is secured against the assets purchased under this facility as disclosed in Note 10, under Property, Plant and Equipment.

18. CONTINGENT LIABILITIES

Mutuality Principle

The company calculates its income in accordance with the mutuality principle which excludes from income, any amounts of subscriptions and contributions from members, and payments received from members for particular services provided by the club or associates, eg, poker machines, bar and dining room service in the case of social clubs. The Commissioner of Taxation accepts this method of calculating income as appropriate for recognised clubs and associations.

Following the Full Federal Court decision in Coleambally Irrigation Mutual Co-operative Limited v FCT (2004) FCAFC 250, Tax Laws Amendment (2005 Measures No. 6) Bill 2005 was tabled in Parliament on 7 December 2005 to amend the Income Tax Assessment Act 1997 to restore the long standing benefits of the mutuality principle to those non-profit organisations affected by the Coleambally decision.

These amendments will ensure RSL and social clubs continue not to be taxed on receipts from contributions and payments received from members.

19. SEGMENT REPORTING

The company operates predominantly in the hospitality and entertainment industry.

The company's operations and customers are located predominantly in Sydney, New South Wales. The company provides food, beverage, gaming and other entertainment facilities to members and guests.
